

Welcome to Gift Academy Inc.'s Gift Event June 9 – 15, 2019 Dallas, TX

Dallas Executive Airport - KRBD

This event is for Ladies (gals, girls women etc.) ages 18 and up. What is on the Agenda?

Intensive Ground and Flight Training. This is the main focus of the event, not only information for the knowledge test, but we will answer questions that will pertain to more in-depth knowledge for oral or personal information. We break down into terms you understand even if have to explain in three different ways! We want you to work together as peers to teach and to learn. We will adjust the teaching to meet the needs and goals of those who enroll in the GIFT academy. We will assist in understanding basics of flight, the joy, safety, dispel myths and fears, passing the written tests, and/or prepare for an oral and practical test. We will also assist in the understanding of weather, weight and balance, aerodynamics, regulations, air space, GPS, etc. If its applicable to flying ask and we will cover the whys, history and how to as much as we can.

Much of the time will be focused on the knowledge test, oral and practical knowledge as well as real knowledge used in everyday flying. We hope the students will leave the event with the knowledge and skills to make them better and safer pilots when they return to their home airports. We hope each student will bond with other to develop friendships that will enable them to reach out to one another when in need of someone who understands their experiences.

What About Flight Training?

We will provide flight training. All costs of aircraft are to help defray the maintenance and insurance costs of the Owners/flight schools that have generously loaned their aircraft for this event. No guarantee of flight time, solo, checkrides or tests, yet we will work, and schedule best as can based on aircraft, instructors, weather for flying.

How Much Will It Cost?

A reservation deposit \$100 which covers a T-shirt, daily lunches and some included ground school supplies.

A prepay option \$525.00 to purchase towards flight time at the event. Up to 5 hours of flight. (\$105 an hour). This may vary based on aircraft loaned to us as some aircraft may cost more such as a tailwheel aircraft or a complex. This is not a requirement to attend the ground school.

Due to the responses of ladies wishing to join us each year we will be limiting the number to 20 attendees. Mail to P.O. Box 1814 Roanoke, Tx 76262 or email gifteventsignup@gmail.com
